HAMZA ALSHAHEEN

ICT- student

ABOUT ME

Committed ICT student with 5+ years of logistics experience, now transitioning into IT and software development. Strong problem-solving, teamwork, and technical skills. Currently in the second year of ICT Engineering studies at JAMK University of Applied Sciences. My goal is to contribute to software development while learning from experienced professionals.

WORK EXPERIENCE

- ⌚ Jan 8, 2022 – Present
Lidl Suomi Ky
Logistics specialist
As a Logistics Specialist, my main tasks include driving forklifts, voice-picking items, and counting goods. Additionally, I handle various other tasks as needed.
- ⌚ August 9, 2021 – October 29, 2021
S-Market Goodman
Intern
I completed the final phase of my studies by handling goods in and out of the small grocery store, including stocking shelves and organizing inventory for store display.
- ⌚ May 31, 2021 – August 1, 2021
Lidl Suomi Ky
Summer Worker in logistics
I completed the final phase of my studies by handling goods in and out of the small grocery store, including stocking shelves and organizing inventory for store display.
- ⌚ April 6, 2021 – May 28, 2021
Hankkija Oy
Intern
Took care of different responsibilities in the warehouse, from handling goods and organizing logistics to keeping inventory in order. I also worked directly with customers, answering their questions and making sure they were happy with the service.
- ⌚ January 20, 2021 – March 26, 2021
Atoy Automotive Finland Oy
Intern
I assisted with purchasing and sales operations, as well as handling customer order deliveries and invoicing.
